PROP.39_01

Dear CLCV Member,

We at CLCV are dedicated to protecting the environment and ensuring that we are promoting clean energy and green jobs throughout California.

CLCV has endorsed Prop 39, because it closes a major corporate tax loophole that costs California taxpayers \$1 billion each year. By closing the loophole, Prop 39 will return much needed revenue to California and reduce our state budget deficit.

In addition, Prop 39 will create 70,000 clean energy jobs by dedicating a portion of the funding to building clean energy projects and upgrading the energy efficiency of buildings across the state.

On November 6th, I hope you will vote Yes on Proposition 39.

Sincerely,

Sarah Rose

Vote YES on Prop 39

CLOSE THE CORPORATE TAX LOOPHOLE AND BRING DOLLARS & JOBS BACK TO CALIFORNIA. **VOTE DOWN THE LINE.**

Prop 39 will close the loophole and clean up the mess created by the legislature when they cost California taxpayers \$1 billion each year by giving tax breaks to companies that move jobs to other states.

Prop 39 will mean fairness for California taxpayers by making out-of-state corporations pay their fair share of state taxes.

Prop 39 will dedicate funds to creating 70,000 good-paying clean energy jobs.

Prop 39 will provide funding to repair and improve public school buildings to protect our kids' health.

Prop 39 will not raise taxes on any California family, it will make sure jobs come back to California.
