Human Trafficking and Sexual Exploitation Is Happening Across California. Prop. 35 Helps California Fight Back.

Prop. 35 is a statewide initiative that finally fights back against the sexual exploitation of women and children. Here's how...

- **Tougher sentences for traffickers.**
- **Use common sense and require convicted sex traffickers to register as sex offenders.**
- **Make sex offenders turn over every one of their predatory Internet accounts.**
- **Mandatory stiff fines on human traffickers to pay for services that help victims.**
- **Better training for law enforcement to identify and crack down on human trafficking.**
